

# CHICAGO RENTERS WANT SMOKE-FREE APARTMENTS

Market research shows that Chicago renters want 100% smoke-free buildings. And that's good news for you.

Smoke-free properties keep your tenants happier, healthier and safer. Plus, by eliminating smoking in units, you protect your investment from smoke damage and fires.

If your property's not smoke-free, why are you waiting? We've got free tools to help you get started.
